The parties in this matter hereby provide the following Updated Joint Case Management Conference Statement per Order of the Court, with a Proposed Order on some minor date modifications/supplements.

I. UPDATE

The parties participated in a further Settlement Conference with Judge Spero on June 2nd per the Court's Order, but this matter did not resolve at that time.

The parties are amenable to the Court's schedule in the ORCMDD, though request a slight modification as indicated in the table below, which also includes a new deadline for the briefing on the issue of whether or not to bifurcate the *Monell* claim(s) for trial. All other dates and deadlines per the Court's ORCMDD shall remain in effect, unless further leave of Court is sought by the parties.
